## Start here. Go anywhere.

Jumping from platform to platform wastes time and energy. ITG offers multi-asset, multi-access trading from a single, technologically powerful source.

ITG is the institutional trading center of choice for the world's most successful traders. Because we're broker-neutral, multi-asset and global, clients know we act in their best interests anywhere they trade. Because we're also a source of world-class trading insights, advanced trading tools, and support, we offer an unmatched combination of technology and high-touch expertise that spans the entire trading continuum. It all comes together on your choice of ITG platforms.

### **Platforms that connect your trading universe**

We are a trusted, strategic partner with no conflicts of interest. While some brokers' platforms are limited in functionality or reach, ITG's are wide open, yet secure.

They connect you directly to ITG's proprietary liquidity sourcing technology, pure POSIT® liquidity, trading tools, and professionally staffed trading desks. Our expert teams can help you optimize your trades for maximum alpha preservation and navigate complex trades with ease.

### **Change course on the fly with real-time insights**

Our trading applications give you access to quality liquidity, improve decision making, automate your execution strategies, help you manage orders more effectively, and trade efficiently across multiple asset classes. Manage multiple orders with different objectives and timeframes, while minimizing costs and maximizing performance. ITG platforms streamline all your processes and provide technology and analytical insights in real time, so you can change course mid-trade, if necessary.
